# Diary of a Diva

Five Days with Terri on the *Divas* shoot.

*Breezes Resort, Nassau, Bahamas*

## Day One:

It's 10:30 p.m., and I have just arrived in the Bahamas from Anguilla via San Juan, Puerto Rico. I had a nice little vacation in the Caribbean before the *Divas* shoot, but now I'm ready to go. I'm amazed that after being in a lush and gorgeous island for two weeks, I'm not "over" the Islands. One deep breath and I'm ready to experience what this beautiful and colorful place has to offer.

Arriving at Breezes, I immediately hear and feel the beat of the music. Normally, when you check into a hotel or resort it's very quiet, but this place is rockin'!

I get to my room and realize that I need some water, so I call room service. I get a bottle and drink it down, but I feel like I could drink 40 gallons more. I'm so thirsty. Since I'm now out of water, I put my contingency plan into action: I head to the bar for a tutti-frutti tropical drink! It's not exactly what I need, but...

After two of these sugary concoctions, I'm feeling better and ready to hit the proverbial "hay." I'll fall asleep soon, but not before laying out all of my itty-bitty bikinis for tomorrow's shoot.

Day 2 2:00 p.m.

I'm really excited about starting this shoot and am really looking forward to working with the photographers, editors and makeup artists who I've worked with before, as well as some of the new kids on the block. I will say my prayers and crash.

## Day 2:

Thank goodness my shoot doesn't start until noon today. Oh my gosh, I needed to sleep! Breakfast was yummy...an egg-white omelette with ham, onions and peppers, and a large coffee did the trick. Oh, how I wish I had dieted more than I did. I wish I had had water and celery every day for a month prior to the shoot. I guess that wouldn't be healthy, though.

I really want my fans to be happy with what they see. Hopefully, they will be. Why, though, do I feel as though Jennifer Lopez and I could be sisters? Baby got back...and that's not what I want on this shoot. I want to be lean and mean. Okay, that's what I'm going to think about today as the camera is advancing from one frame to another. I'm lean, mean and a "She-Devil" to boot!

Today, I worked with photographer Rich Freeda. He and I go back a long way. Rich was there years ago when my ex-husband Dustin and I were playing Scrabble backstage at a show. I used the word "vulva." Dustin said, "You can't use proper names—that's a car manufacturer's name." I actually had to get Rich Freeda to come over and tell Dustin that a vulva was part of a woman's anatomy, and that it was legal to use in the game of Scrabble before he would give me my points. Yes, Rich and I go back a long way.

I had the most fun assistant with me today. Elizabeth Seltzer was so great to laugh with and laugh at. She actually baited some seagulls with loaf after loaf of bread. I laughed my head off. She was hilarious running down the beach, throwing bread and trying to get away from the birds before they dive-bombed her. It was a scene right out of a Hitchcock film. Thanks for the laughs, Lizzie.

In the afternoon, we took a trip off the resort and went to the Straw Market where the Bahamian women were waving at me to purchase their wares. My favorite line was "Pretty lady. Hey, pretty lady." I met one or two precious women selling their goods. They made the trip fun. That and watching Howie Zales (the television cameraman) walk backward and trip over everything and everyone.

It's evening now, but I am not too tired. I think I desire one of those tropical elixirs that the lovely staff at Breezes pours so freely day and night. Okay, so I'll just have one and hit the hay! I have to be up at 4:00 a.m tomorrow. OUCH!

## Day 3

Today I was with Michael Winokur, a photographer I have never shot with before. He was very intense and focused on what he wanted. I was focused, too. I wanted to look like a million bucks. I hope we pulled it off!

Elizabeth was with me again today. We had another day of laughs, watching her being extremely good-natured while

Day 2 12:00 p.m.

performing guinea pig acts. Michael asked her to wade into the ice-cold water of the pool before the sun was out, and she went in with her clothes on. I, of course, had to go in right after her. I thought the hot tub would have been much more comfortable to shoot in. Oh well, gotta give 'em what they want. Hopefully, it'll translate into some really hot photos.

This afternoon, we took a trip to Blue Lagoon, an island which is a 30-minute boat ride away. It was so pristine and gorgeous! I really hope we got some great shots there. It was beautiful!

Well, it's just before dinner, and I wanted to have a little girl-talk party with Trish tonight. But I think I am going to weenie out and go straight to bed after dinner. I am pooped! Pitiful! Where is my sense of adventure? I'll go to sleep and try to find it in my dreams.

## Day 4

Another early morning. These mornings are painful. Craig Ambrosio was my photographer today, and he is now one of my favorites. He went with whatever I was feeling; it was a comfortable situation. I gave it, and he shot it. It was a smooth, easy and fun day. Craig was just so great!

I wanted to have another private party tonight, but to my dismay, I wimped out again. I am going to bed right after dinner. What's happening to me? I should be living it up...having lots of Bahama Mamas. I feel a little better knowing the other girls are exhausted too. We had a bonfire earlier, and I think the s'mores cooking did us in!

## Day 5

I can't believe these early mornings are coming to an end. I am writing this at 4:08 a.m., and I feel like there is a fog in my brain and a curtain over my eyes that won't stay open. I need more coffee!

Okay, last day, I have to get my booty rockin'. I don't have enough suits left, but I've loved the suits Julie Drozdov, one of the Federation's seamstresses, made for me. They are so awesome. I always have one special suit left, though. If I have to, I'll just use my "birthday suit." God, it is so early. More coffee, more coffee! Aaaahh, that's better. Okay, off I go.

"Gizzard Boy" was my photographer today. I gave him that nickname on our first *Divas* shoot in the Dominican Republic. It is a very private little nickname. Hee, hee, hee! His real name is David McLain, and he is a ball to work with. Our shoot was a bit rushed today as we are flying out to go to Greensboro, North Carolina, for the *Survivor Series* pay-per-view. That's okay, I think we got some great stuff.

This morning, I had three pieces of French toast saturated with syrup. Bad girl! Bad girl! That just means I have to run about 30 extra laps around the upper perimeter of the arena in Greensboro...

This shoot was a real blast. We had tons of laughs. Trish and I, especially, laughed until our bellies hurt. We all laughed our butts off at the bonfire. What a hoot! I thought Ivory was going to catch

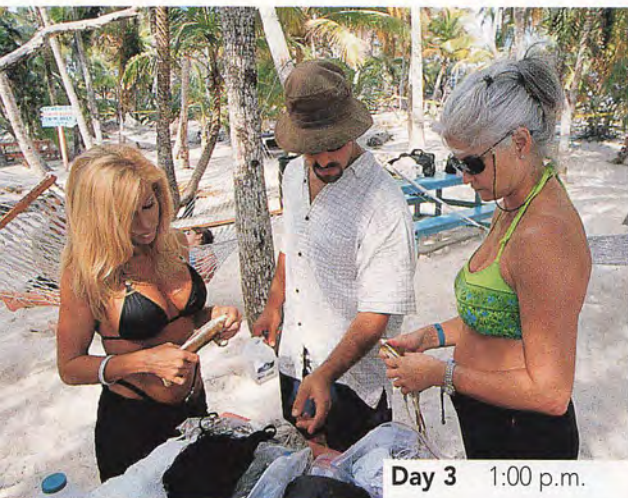

Day 3 6:15 a.m.

Day 3 11:00 a.m.

**This afternoon,** we took a trip to Blue Lagoon, an island which is a 30-minute boat ride away. It was so pristine and gorgeous! I really hope we got some great shots there. It was beautiful!

on fire a time or two. She was so busy posing, she didn't seem to notice the glowing orange embers that were landing on and around her. Now that is a true professional, or had she already had a Bahama Mama or two? We'll never know. And Lita? She is as skilled with a marshmallow toaster-stick as a fine fencer in the Olympics.

Jill Clark and Claudia Breckenridge, the makeup artists, were just incredible! Couldn't have done it without them. Jill brings everything! You need it, she's got it! The only exception may be the kitchen sink. I don't think I ever saw her pull one of those out of her bag.

As I head to the airport now, I'm reminded by the number and weight of my bags that I have been gone for almost a month now. I have to get home soon. As bad as I want to get home, that's how much I love this crazy and wonderful thing that I do for a living. I am a *W* Diva and I love every minute of it! ■

*A very special thank you to  
the staff at Breezes Resort  
who made our trip so enjoyable!*

**What's your idea of a perfect date?**

Good food followed by great dessert. Good small talk followed by great conversation. Good-bye followed by a great kiss.

**What's the most romantic evening you ever had?**

A long car ride, with great conversation and music, to a secluded cabin in the woods. The rest of the night was filled with cuddles by the fire, home-made dinner, then great dessert. (Yes, *that* kind!)

A sense of humor.

**What's your biggest turnoff?**

Overconfidence.

**Who are the four people, past or present, who you would most like to have dinner with?**

James Franciscus.

**What's your idea of a perfect date?**

Anything surprising, unpredictable and completely out of the ordinary!

**What's the most romantic evening you ever had?**

One night I was out dancing in San Francisco, and I met this guy who happened to be wearing a pirate shirt. *(He wore it quite well, by the way.)* We ended up dancing, then frolicking in a park. Eventually, we went back to his house. It was like a scene out of the movies. He had a big bear-claw bathtub and lots of candles dripping wax. He drew me a bath, lit some candles, and we played the night away.

### **STACY™**

Soaking in the sun is one of Stacy™'s favorite pastimes when she isn't on Federation TV, so it's no wonder she was more than willing to take part in the newest Caribbean Divas photo shoot. By the looks of things, it seems Stacy™ is a natural!

## ***DIVAS***

### **STACY™**

Many of Stacy™'s in-ring encounters have been very popular among male fans. The reason isn't hard to imagine, especially since many of them have involved the removal of clothing. Her athletic ability is not to be underestimated, however, as she has other ways of getting attention.

## ***DIVAS***

### **STACY™**

Who can forget when Stacy™ made her debut last summer on *SmackDown™* at the side of Shane McMahon™. It was certainly one of the highlights of the WCW® invasion! A former Nitro Girl™ while in WCW®, Stacy has proven more than up to the task of being a Federation Diva.

1 of Set 3

## ***DIVAS***

### **SHARMELL™**

Sharmell™'s fans were overjoyed to see her turn up on Federation TV last fall. She is a beautiful and intelligent addition to the broadcast team, and has quickly been making new fans.

## ***DIVAS***

### **SHARMELL™**

We haven't seen much of Sharmell™ in the ring yet, but she has been training, and does have plans to eventually lace up the boots. She has experience as a wrestling manager from her days in WCW®, and is more than willing to mix it up in the ring.

## ***DIVAS***

### **SHARMELL™**

The newest Diva on the Federation scene, Sharmell™ has quickly taken fans by storm. Like Stacy™, she is a former WCW® Nitro Girl™, but since coming to the Federation, she has assumed the role of broadcaster, conducting backstage interviews.

## ***DIVAS***

### **MOLLY™**

Unlike many of the Federation's alluring and seductive Divas, Molly™ seems to be more of the innocent, girl-next-door type. Judging by male fans frequently seen on TV with their eyes popping out when she heads out to the ring, that seems to be just fine!

9 of Set 3

## ***DIVAS***

### **MOLLY™**

A highly skilled competitor, Molly™ was trained for the ring by veteran technician Dean Malenko™. She has been a consistent challenger for the Women's Championship, and has had amazing matches with the likes of Ivory™, Trish™ and Jazz™.

For several years, Dolphin Encounters has made the dream of a seriously ill child come true by participating in the Make-A-Wish Foundation program.

In 1997, Dolphin Encounters became a member of the prestigious Alliance of Marine Mammal Parks and Aquariums, confirming its status as one of the top marine parks in the world.

Over 700,000 guests have participated in either the educational swim or encounter program and have gained a higher appreciation and awareness of bottlenose dolphins and marine life in The Bahamas.

# Sara

**WF: Bikini or thong?**

Sara: Thong.

**Leather or lace?**

Leather, of course!

**Who was your first crush?**

Undertaker... There wasn't anyone before him.

**What's your idea of a perfect date?**

To go to a nice Italian restaurant, go home to watch a night of UFC fights and go to bed early.

**What's the most romantic evening you ever had?**

Christmas 2000. All the lights in the house were off except for the Christmas tree. We opened presents and my husband proposed to me. I have to give credit where credit is due; that was romantic.

**What's the most attractive feature a guy can have?**

A nice smile. I love nice teeth, and I also love big arms.

**What's your biggest turnoff?**

Bad teeth and body odor. That goes for bad breath too. If you smell, you're out!

**Who are the four people, past or present, who you would most like to have dinner with?**

Muhammad Ali, Joe Frazier, George Foreman and Undertaker. I admire all four of them, and I couldn't have dinner with Ali, Frazier and Foreman without my husband. He'd love that.

**Where's the place you'd most like to be stranded?**

At home.

**What are the best and worst come-on lines you've ever heard?**

The best: There is no such thing as a good come-on line. I don't fall for them anyway.

The worst: It's a tie. They're all bad!

## In The Works

Sun, Fun and a Whole Lot of Work  
Mark the 2002 Divas Shoot

Everyone thinks that being sent to a beautiful island to work on a Federation Divas shoot is the assignment of a lifetime; and truth be told, it probably is. But, that doesn't mean it was all play and no work.

The world's finest makeup artists battled the tropical heat and made sure the Divas came out on top.

Lita and crew waded through waist-deep water to get the perfect shot.

Capturing the perfect light requires both equipment and skill. Of course, it always helps to have a beautiful Diva like Jacqueline to work with.
